

Grimes County Little League

2025 SPONSORSHIP PROGRAM

The Grimes County Little League is preparing for our upcoming baseball and softball season that allows Grimes County boys and girls to enjoy playing baseball and softball. We are a non-profit organization and rely on the generous support of our sponsors. Our goal is to provide a great facility and learning opportunity for every child ready to play ball. Your time in considering this opportunity and all levels of donations are greatly appreciated!

The Grimes County Little League encourages donations of any size. The funds generated from this sponsorship program play an important role in offsetting the cost of uniforms, equipment, insurance, charter fees, field maintenance, and all other expenses involved in operating our Little League Program.
